Your connection to a world of collaboration and funding opportunity.

The EUREKA Global Innovation Summit is an international meeting place for businesses and innovation agencies to share knowledge, network, collaborate and secure future business growth opportunities.

Businesses from across the globe will join international innovation agencies, research organisations and policy makers for unique insights, practical ideas, inspirational stories and collaborative solutions.

WHY ATTEND?

The EUREKA Global Innovation Summit welcomes businesses from all sectors to benefit from unique insights into international funding, collaboration and investment.

You’ll receive practical advice on scale-up and pitching and valuable forecasting across topics ranging from the identity of the next disruptors to the locations of the new centres of manufacturing.

You’ll also discover the latest developments in AI & Data, Clean Growth, Ageing Society and the Future of Mobility, which could impact your business and influence future global funding opportunities.
WHY ATTEND?

Are you a small business looking to grow and collaborate globally?

The EUREKA Global Innovation Summit welcomes businesses from all sectors to benefit from unique insights into international funding, collaboration and investment. You’ll receive practical advice on scale-up and pitching and valuable forecasting across topics ranging from the latest developments in AI & Data, Clean Growth, Ageing Society and the Future of Mobility, which could impact your business and influence future global funding opportunities.

There’ll be the opportunity to meet business partners from all over the world with over 1500 matchmaking opportunities. We’ve brought together the leading speakers in innovation globally who can share their experiences on the future direction of technology, how to remain competitive and grow.

Are you a large business looking to the future?
